Animal use is deeply ingrained in our society, benefiting the health of people, supporting commerce, and enhancing our enjoyment of life. ARCHA acknowledges the valuable role of these animal partners in our lives, in history and in horse shows, and is committed to providing a proper environment for them in competition, in transport and at rest, and to providing humane guidelines for care and treatment of both horses and cattle. Inhumane treatment of the equine partners we ride or the cattle vital to our competition is not acceptable.
